## TOOL SETS

# FEATURES

## TOOL SETS:

The new line of Powerbuilt Mechanic's Tool Sets and Professional Grade Ratchets offer a refresh of usable contents and high quality tools. No more adding duplicate filler like extra bits and sockets so small you never can even use them. The new Powerbuilt Mechanic's Tool Sets have the most complete usable coverage of sizes and tools that any true gear head can appreciate. While at the same time being price competitively for the market. These new socket sets range from the new 1/4" drive master set, that consists of a complete offering of 1/4" drive SAE and Metric, shallow and deep sockets; to the ultimate all-encompassing 200 Pc. Master Mechanic's Auto Service set, which has all of the tools you need to complete most standard maintenance jobs in the garage. The 200 Pc. Master Mechanic's Auto Service Set truly is the pinnacle of over the counter blow molded case tool sets. This set will complete service jobs of all types from Brakes and wheels to suspension and general engine maintenance. As always the Powerbuilt quality and Lifetime warranty speaks for itself. All Powerbuilt tools are made from the highest quality materials, superior chrome plating, and designed and tested to exceed ANSI standards.
