POWER TOOLS

LITHIUM-ION BATTERY OPERATED TOOLS

**Model #642712
4V LI-ION SEMI-AUTOMATIC SCREWDRIVER**

- Semi-Automatic Bit Changing Design, Change Bit in Seconds Through Revolver Magazine
- Integrated 6-Bit Drum Magazine Includes Most Common Bit Style/Sizes
- 1.5 AH Lithium-Ion Battery for Long Service Life
- Integrated LED Light for Illuminating the Work Area
- 3-LED Battery Capacity Indicators Display Battery Charge Level Status

PORTABLE WELDERS

Model #642427
90 AMP
FLUX CORE WIRE FEED WELDER

- This portable welder is easy to set up – no gas or regulators required! It includes everything you need to start welding right out of the box. Just attach the ground clamp, select the high or low voltage setting, select the wire feed speed and start welding with the heavy-duty flux core gun!
- Weld like a pro! This Efficient Welder with IGBT Inverter Technology Produces DC Current for Consistent Heat and Flow Which Results in An Exceptional Welding Quality
- Up to 90A AC
- Operates On 120V/20 AMP Power
- Duty Cycle: 20% @ 90 AMPS
- Welds up to 3/16" Thick Steel
- Selectable Voltage Range
- Adjustable Wire Feed Speed
- Fan Cooled

Model #642694
125 AMP
WIRE FEED DC INVERTER WELDER

- Weld like a pro! This Efficient Welder with IGBT Inverter Technology Produces DC Current for Consistent Heat and Flow Which Results in An Exceptional Welding Quality
- Weld Almost Anywhere - No Gas Beeded and Works On 120V Household Power
- Lightweight, Compact Design is Easy to Carry and Store
- Up to 125A DC
- Operates On 120V/20 AMP Power
- Duty Cycle: 35% @ 90 AMPS
- Welds up to 1/4" Thick Steel
- Variable Voltage Range
- Adjustable Wire Feed Speed
- Fan Cooled
